Skill India to Skilled India

A Summit For Knowledge Integration, Language And Livelihood

3rd February 2016

At

**L N Mishra College Of Business Management
Muzaffarpur [Bihar]**

About the summit

The Summit will focus at discussing the ways to create new opportunities and hone the skills to develop the talents of the youth of Bihar and India to grab the opportunities worldwide. The live discussion of the panel consisting of the experts of different sectors will bring out the ways in identifying the challenges of 'Skill India' and finding out a mechanism towards successful implementation of the programme. Exactly in line with 'Skill India', the panel members will share their experience in terms of need for various skills which marks a significant difference in the key facets of today's world: the state, business, society and culture. To scale up efforts required to achieve the objective of 'Skill India' the day long programme strives to:

- ❖ Define clear objectives in terms of developing employability skills of the youth of Bihar aligned with 'Skill India'.
- ❖ Frame strategies towards the attainment of these objectives.
- ❖ Bring together the stake holders to anticipate the major roadblocks and possible solutions.
