Subject – Sanction letter for the formation of Startup-Cell.

Dear Madam/Sir,

Greetings from Department of Industries, Government of Bihar!

This has reference to the acceptance letter from your institute regarding setting up of Startup Cell in your college.

The empowered committee has recommended your institute for setting up of Startup Cell in association with **Department of Industries, Government of Bihar.**

A broad operational guideline for the implementation of the 'Startup Cell' has been approved. This covers various aspects like operational and functional details, roles of different stakeholders, measurable outcomes, startup related activities and training programs etc.

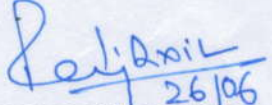

The detailed operational guideline is annexed with this letter for your kind perusal.

We request you to shortlist minimum **4 candidates** for the position of Startup cell coordinator and send us their details. They will be further screened and one candidate will be finalized by the committee formed by Department of Industries.

Looking forward to developing innovation and startup ecosystem in your institute.

Thanks and regards,

Enclosed: Detailed Operational Guideline
